# KAIROS FORUM ON FRACKING IN MONCTON, OCT 30-31, 2015

ADD YOUR VOICE. TAKE ACTION. SIGN UP NOW. WWW.KAIROSCANADA.ORG/FRACKING

Hydraulic fracturing (fracking) projects are taking place on the traditional territories of Indigenous peoples in New Brunswick & British Columbia without their free, prior and informed consent. They have led to air and water contamination, outsized greenhouse gas emissions and induced seismic activity.

The goal of our forum is to raise the profile of the social, ecological and human rights concerns of Indigenous and non-Indigenous communities and to facilitate action regionally and nationally.

**LOCATION:** St. John the Baptist Anglican Church, 48 Woolridge St., Riverview, N.B.

**SPEAKERS** from New Brunswick, Quebec and Nova Scotia organizations resisting fracking.
